MATTER 17-00994 - In the Matter of the Establishment of Indian Point Closure Task Force.

NOTICE INVITING COMMENTS AND ANNOUNCING PUBLIC MEETING
CONCERNING INDIAN POINT DECOMMISSIONING

(Issued June 9, 2021)

On February 28, 2017, Governor Andrew M. Cuomo announced the creation of a task force to provide guidance and support to the communities, taxing jurisdictions, and employees affected by the planned closure of Indian Point. The Department of Public Service (Department) was called upon to lead the Indian Point Closure Task Force (Task Force), which is charged with developing recommendations to mitigate local tax and workforce impacts, evaluating and identifying new economic opportunities and work force retraining programs and opportunities, advocating for appropriate decommissioning timelines in the best interests of local communities, and ultimately positioning the region for a prosperous and sustainable future.

On December 31, 2020, Governor Cuomo directed the Department to establish the Indian Point Decommissioning Oversight Board (Oversight Board). The Oversight Board is charged with assessing how to protect the financial, environmental, and physical interests of the communities affected by decommissioning, including the interests of the current workforce as it relates to continuing the public safety of the surrounding communities.
